

The floor plan illustrates the layout of the 1st floor, featuring a central corridor (1.11) that connects various functional areas. On the left side, there is a waiting area (1.4) and a registration area (1.8). The central part of the floor contains a large hall (1.11) and a consultation area (1.9). To the right, there is a pharmacy (1.10) and a waiting area (1.4). The plan also shows a parking area (1.12) and a loading/unloading area (1.13). The rooms are color-coded: blue for waiting areas, green for registration, yellow for consultation, and red for pharmacy. Dimensions and room numbers are clearly marked throughout the plan.
